BRUNA RESTAURANT

Bruna is a gastronomic but informal restaurant, stylish yet casual, where leading by example is practiced, and an honest and natural cuisine is presented, paying tribute to the local produce of the region, even with the name - Bruna is the most characteristic cow breed of the Pyrenees.

We offer different spaces to enjoy this cuisine, from our Bruna restaurant with a capacity of up to 120 people in banquet format, to the Fromagerie, which can accommodate up to 22 people at an imperial table
